

Hose reel

Hose reel »BluBird«

Art. No. 150097

Type No. SAR.BB.20X13.G12.15

Exemplary illustration

»BluBird« hose reel with open steel housing, automatic return lock and highly flexible, silicone-free hose for compressed air applications in the workshop area (compressed air supply for pneumatic tools, equipment for assembly stations, etc.).

the uniform fabric reinforcement guarantees high pressure resistance, very good handling, high mechanical strength and excellent bond adhesion. The high ozone resistance also contributes to the durability and safety of the hose. Resistant to light greases, oil and diesel. The mix of solid rubber and fabric inlay also makes the hose very light.

Technical data

Min. operating temperature	-45 °C
Max. operating temperature	85 °C
Max. operating pressure	20 bar
Thread, input	G 1/2 ET
Thread, output	G 1/2 ET
Hose size	20x13 mm
Hose length	15 m
Hose material	Solid rubber
Housing	Steel, powder-coated in blue
Applications	for compressed air
Mounting options	Wall, floor or ceiling mounting

Commercial data

Customs tariff number	40093200
Country of origin	IN
